A BEAUTIFUL homestead, tucked in the hills, and surrounded by flowers and gardens - WOW! This country home is on the market for the first time in over 40 years and it is a beauty! Sit in the three-season room and watch the flowers bloom in the meticulous gardens. Watch the deer come eat blackberries and apples from the rear gardens. Work in the shop area in detached 2 car garage, store your toys in the large shed, and fall asleep to the sound of nothing but nature. The 2 bedrooms are upstairs, and there is one smaller bathroom, but the other features more than make up for it! The house is heated with a wood stove, but is ready for a forced air furnace. Fall in love with the simple, quiet life in this beautiful home!
