"Where the Sidewalk Ends" One might believe that Shel Silverstein had inspired this fabulous home, but the truth you seek does not lie in all the beauty of this special setting that surrounds. This meticulous home with an exterior that speaks untruth to this bright, large open concept with main floor laundry, quartz countertops, walk-in pantry, stainless steel appliances, fancy breakfast bar and dinette area, storage or office cubie, split br's for privacy and a lower-level bonus room. This beauty lies in the details of the 3-season porch with EZ-view vinyl windows, Aprilaire whole home dehumidifier, storage and the oversized garage with a special call out to the spacious yard adjacent to neighborhood park. And so your new home awaits where this sidewalk ends.
