This is a spacious, well-cared for home with lots of custom charm! The hearty brick exterior with shuttered windows along with the fresh landscape makes for very welcoming curb appeal. At one time, this home won an award for the restoration work that was done by the owner who was a skilled carpenter by trade. This home with 3 large bedrooms, 2 full baths, an oversized garage with walk-up attic space above has abundant space for all. The home boasts custom walnut paneling, a workshop in the basement, and a lovely bonus back sunroom that opens into the kitchen for an unexpected favorite spot within the home and exits to the beautiful well landscaped backyard. Within walking distance to all that Watertown's downtown has to offer, including churches and schools!
