3 Bedroom, 1.00 Bathroom, 1,526 sqft

Single Family on 1.00 Acres

N/A, Buena Vista, WI

Although this home could benefit from some updates and cosmetic improvements, (fixer-upper with many possibilities) it is fully livable and features original wood floors.

Updates made in 2010/2011 include new gutters, an electrical panel with some GFCI outlets in the bathroom and kitchen, windows, wall and attic insulation, a sump pump in the basement, and a new water pump. A metal roof was installed in 2017. Situated on nearly an acre, the spacious yard offers plenty of room for gardens, plants, animals, kids to play, or simply a place to relax and unwind. The garage has a workbench and plenty of storage space (studio/workshop is attached to the garage), along with a tiny guest house out back. Just minutes from the Wisconsin River for fishing, boating, etc.
