This home has just had a facelift and the wrinkles are gone! Enjoy the wood burning fireplace in the spacious living room and the attractive laminate flooring. The 2-story garage has a finished living area upstairs great for that dependent or independent. It could also make a great at-home office, space for visitors or friends, or for a quick a get-a-way space. To make it rentable would require a conditional use permit. Natural gas or electric is available. Convenient location near schools and parks and just a short walk to the downtown area and Lake Tomah. Some of the updates include new gutters, new lateral, quality laminate flooring, basement and garage windows, tub surround, countertops, kitchen sink, light fixtures and more! Same owner for 25 years and proud of it!
