Welcome to this extremely nice bungalow with refurbished wood floors and some of the original woodwork. Property is spacious with an open floor plan from the living/great room through the dining area into the kitchen. The sun room is full of natural light with beautiful glass doors for an amazing accent and could easily be turned into 3rd bedroom. The three season porch is a perfect place for relaxing and enjoying morning coffee etc. The house comes with a newer furnace and new A/C system. The property boasts a very nice lawn for the pets and kiddos along with a camp fire area, the back porch adds extra space for the stuff as well as a large downstairs along with the bar area.
