Charming home with many updates ready for new owners! Lots of space to grow or spread out. All bedrooms upstairs; third bedroom is non-conforming, between two bedrooms. Would be a great study or office space. Original hardwood floors, new carpet, new LVT back porch, new kitchen counters/countertops, new ceiling fixtures, new front deck, painted inside and out, new furnace, new windows and more. The house does not have an AC unit but it is ducted and ready for one to be installed when the weather warms. All appliances stay. Move-in ready just in time for Spring! Selling As-Is. Some floors are sloped, common in older homes. Basement has some poured walls but a dirt floor. Inspection report available.
