Single Family on 9.10 Acres

N/A, Brooklyn, WI

Show 5/9. Need a little more privacy and a lot more elbow room? Two parcels = 9+ acres of wooded peace and quiet. The beautiful home is just icing on the cake. Open main floor plan w/real hdwd floors, gas fireplace & Anderson windows galore (who needs window coverings?). Solid oak 6-panel doors, huge kitchen w/cherry cabinetry and long (charcuterie or bkfst) bar. What time of day will be your favorite on the screen porch? Main floor bdrm would also make an ideal office or den. Upstairs, the primary suite has the sweetest sunroom with french doors - start the day slow with morning coffee and a book - or start the day fast (still w/ coffee), and use it as the perfect nursery. Massive, dry unfinished lower level to expand like crazy. Fully exposed, flush ceiling and roughed for a bath.
