Single Family on 9.00 Acres

N/A, Berry, WI

Show 6/6 Sitting on 9.2 acres including the farmhouse, two barns, and a wind turbine this beautifully restored 1893 farmhouse was fully renovated in 2009. All major systems were updated: electrical, plumbing, insulation, siding, roofing, water filtration system, Generac backup power, and a hydronic wood stove. Original white birch and maple floors were restored, and the interior features new cabinetry, appliances, and fixtures. A spacious wraparound porch adds charm and function, freshly painted in 2024. The grounds include gardens, fruit trees, perennial flowers, and walking trails. The original 130-year-old barn remains sturdy and offers ample space for equipment, livestock, or recreation. With open space, fresh air, and scenic views, it's more than just a property it's potential.
