4 Bedroom, 2.00 Bathroom, 1,839 sqft
Single Family on 0.24 Acres

N/A, Wonewoc, WI

Own a piece of history in the heart of charming Wonewoc! This spacious 1886 brick home offers timeless character and solid craftsmanship, with plenty of potential to make it your own. While some updates are needed, many modern improvements are already in place, including thermopane windows throughout most of the home and updated enclosed back porches on both levels. Currently configured as a two-unit duplex, the property can easily be converted back to a single-family residence—the original interior staircase remains intact and appears to only have been blocked off at the top. Situated on a generous lot with a two-car detached garage, this is a rare opportunity to restore and personalize a beautiful historic property in a peaceful village setting.
