3 Bedroom, 2.00 Bathroom, 1,400 sqft

Single Family on 0.22 Acres

N/A, Baraboo, WI

Great opportunity! If you are handy, or know someone who is, you can fix up this home to your liking! This manufactured home has good bones but needs cosmetic fixes. There are 3 bedrooms in a split floor plan layout, and 2 full bathrooms on the main level. The living / kitchen areas feature vaulted ceilings and lots of natural light. The open floor plan allows for plenty of entertaining and living space. The basement has some rooms walled off, so there is future finishing potential for more space. Future bath rough-in in basement. There is an attached 2 car garage, and the home sits on a corner lot with nice trees and a fairly private, fenced backyard. Don't wait on this one! Sq footage and property age are approximate, buyer to verify if material.
