Lots & Acreage on 11.09 Acres

N/A, Brooklyn, WI

A hard to find 11 acre buildable country wooded lot in the Oregon/Brooklyn area is now available and a must see. If quiet, seclusion and wildlife are what you desire, this is the place. Located just 4.5 miles to Hwy 14, 25 mins to Epic/Verona, 23 mins to Madison and 2 miles to Brooklyn, you'll find yourself in a sanctuary of endless possibilities. Plenty of space for a sizable home and outbuilding(s) as you wish. The mowed paths provide great access to nearly all the property. The gradual slope near the middle of the lot offers the potential for a home with basement exposure. Previous perc test shows the land is ready for a conventional septic system. Precent to change to Oregon school district based on southern neighbors. Call to walk the property. Agent must be present for all showings.
