Lots & Acreage on 0.70 Acres

Deadwood Point, Taycheedah, WI

Just off the shores of Lake Winnebago and Fett's Pond in the Deadwood Point Subdivision this .71 acre lot is one of the best remaining places to build on the Northeast side of Fond du Lac and especially at this price. Established subdivision with paved roads to municipal standards, sewer available, private well, lake views, and a level lot backing up to a treeline and farm fields. The natural, wooded area is home to wildlife including deer, ducks, herons (and even a few eagles!) and game fish in the pond. Yet just minutes from the amenities of the city of Fond du Lac.
